P R E M E S S A

La schedatura che segue stupirà per il mezzo tecnico con cui è stata realizzata e per i segni manoscritti che corredano le singole schede, e perciò va subito precisato che risale alla fine degli anni '60 del secolo scorso e che era intesa solo come strumento di lavoro entro la 'scuola'.

Allora, dopo una tesi in Diritto amministrativo, muovevo i primi passi tra gli strumenti della storia giuridica entro la ricchissima raccolta (già allora) di libri giuridici antichi di Domenico Maffei e realizzavo le mie prime 'esercitazioni', sul Sannazari della Ripa e sul Diplovatazio (Giuffrè, 1970 e 1971, libri esauriti ma liberamente accessibili nel mio account di academia.edu).

L'ultimo libro in particolare mi aveva costretto a un confronto ravvicinato con l'universo dei giuristi di diritto comune noti all'erudito corfiotto ed esso fu enormemente facilitato dall'accessibilità della raccolta Maffei congiunta con il fondo antico, importante, del Circolo Giuridico dell'Università di Siena (consultabile on line).

Ebbene, la schedatura che qui presento dei *consilia* 'vaganti' al di fuori delle collezioni dei singoli giuristi (quando esistenti) fu un lavoro collaterale, ma coerente con quel contatto ravvicinato presto arricchitosi con la collaborazione al catalogo dei manoscritti giuridici del Collegio di Spagna in Bologna diretto da Maffei con Ennio Cortese, Antonio García y García, Celestino Piana e Guido Rossi (Giuffrè, 1992).

In quella sede i singoli *consilia* ebbero una loro descrizione autonoma, cosa che comportò una non lieve dilatazione del lavoro, ma anche una 'inedita' valorizzazione della fonte: ogni *consilium* era riconosciuto come un lavoro a sé, con una sua propria storia.

Ora, grosso modo mezzo secolo a distanza di quelle rozze schede, si può verificare un interesse ben più radicato per i *consilia*, come abbiamo cercato di evidenziare, Paola Maffei ed io, nel presentare il programma di lavoro su quelli *extravagantia* aperto, com'è ovvio, a ogni volenterosa collaborazione. Esso si legge in anteprima in "Historia et Ius", 17 (giugno 2020), [www.historiaetius.eu], 17 (2020), paper 15, e poi, con una illustrazione più dettagliata del disegno di catalogazione, nel nostro contributo su *Consilia extravagantia: un repertorio in corso d'opera*, pubblicato in "Revista Española de Derecho Canónico", 77 (giugno 2020), fasc. 188, dedicato alla memoria di don Francisco Cantelar Rodríguez, pp. 67-85 (consultabile liberamente on line).

Va da sé che sarebbe troppo lunga la serie di persone da dover ringraziare per l'aiuto e la comprensione del mio lavoro consiliare riaffiorante nel corso di tanti decenni a tratti, con 'punte' sparse ma con una relativa costanza.

Qui posso solo ricordare chi ha favorito questa pubblicazione: oltre a Paola Maffei, *in primis* com'è doveroso per la sempre amichevole assistenza/cooperazione ed ora nell'elaborazione del progetto, Paolo Alvazzi del Frate e i colleghi di "Historia et Ius", che hanno colto la singolarità 'storica' della pubblicazione coadiuvati da Alberto Torini; in fine (solo nel tempo) Tabata Psillakis, curatrice delle scansioni e dell'*editing* di questa impresa con la stessa incrollabile attenzione con cui ha affrontato la mia caotica raccolta libraria.
