INTERLEGALITÀ E PLURALITÀ DI ORDINAMENTI.
L'ESPERIENZA GIURIDICA MEDIEVALE.

DATE: 02/10/2020 - 10:30  TYPE: SEMINAR

On the 10th of February, the team of the project gathers two academics, experts in the Legal History of the Middle Age, Professors Massimo Meccarelli and Raffaele Volante, in order to look at inter-legality under the historical perspective.

We are trying to answer the following questions: were inter-legality issues already existing in the Middle Age? How have they been tackled in that period? Can we use the patterns of the past to address the challenges of the present?
